Additional Note: The "Syllabus Library" tab can be used to search all class syllabi campus-wide. When accessing the Syllabus Library, you can use several filters: keyword, term, organization, subject, course number, or instructor to narrow results.

The screenshot shows the top navigation bar of the Kean University website. On the left is the Kean University logo, which consists of a circular seal with a building and the text "KEAN UNIVERSITY" around it, followed by the word "KEAN" in a large, blue, serif font. To the right of the logo is a question mark icon. Below the logo and name is a horizontal navigation menu with four items: "My Courses" with a graduation cap icon, "Material List" with a shopping cart icon, "Syllabus Library" with a building icon and a red underline, and "Profile" with a person icon. To the right of "Profile" is a "Logout" link with a power icon. Below the navigation bar is a section titled "Syllabus Library" in a large, bold, black font. Underneath this title is a search interface. It features a "Term" dropdown menu with "22/SP" selected, a search input field with a magnifying glass icon and the placeholder text "Search (e.g. ANT, ANT 101, Anthropology)", and a "Subject" dropdown menu.
