# Midterm TIPS

*from the tutors*

## JASMINE MOSIER

Know your schedule! Using an online calendar is a great way to visualize this and helps with time management!

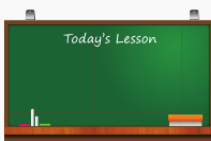

## NATALIE VEGA

Repetition is key! Write out your notes as many times as you can. It helps with memorization.

## LISBETH GELL

Create a to-do list and prioritize the assignments that are due first or that may take up more time.

## TAYLOR GLOVER

Check to see how well you understand the material! If you are preparing to take a quiz or test, you can teach your parent/guardian, friend, or even a stuffed animal about what you learned while using a whiteboard or chalkboard.
